About Us

We " Radical Technologies Private Limited" from 1985 are Authorized Retail Dealer, Manufacturer, Wholesaler and Trader of Server Storage Products. Offered selection of products consists of superior quality HP Server, HP Server Processor, HP Server Hard Disk, HP Server RAM, HP Server Raid Controller, IBM Server and many more. Our provided products are made using top grade material with following industry standards at vendors end. The offered products are appreciated owing to high strength, premium quality, attractive functionality, and smooth performance. Apart from this, we are offering after-sale service to our valued clients.

We have a long list of vendors to offer this high-quality assortment of products. We have selected these vendors after verifying their product quality and legal status. Our vendors offer us the best grade product and increase our position in the market. We have a large warehouse, which is used for storing the products proficiently. To dispatch products at client place within limited time, we have a large distribution network.

Under the constant supervision of our mentor Mr. Gurudatta Acharya, we have been able to achieve top position in this domain. Due to his valuable direction, we cater the exact need of our clients.
